Experience

Process Delivery Specialist

IBM India

2022-2023

- Spearheaded the execution of disconnection orders through the creation of Access Service Requests (ASR) and meticulous verification of circuit designs, ensuring seamless IP disconnections.
- Experienced in utilizing tools such as Windows, Outlook, Teams, Citrix Workspace, XLR, EON, Salesforce, Ops Console, VPN, and Security applications.
- Coordinated with vendors to dispatch ASRs and diligently followed up for Firm Order Confirmations, maintaining high standards of service delivery.
- Consistently met client Service Level Agreements (SLAs) by adhering to strict timelines and quality benchmarks.

Business Development Associate

Vibrant Media Pvt. Ltd.

2024-Present

- Reach out to leads through cold calling, emailing, networking, or attending events.
- Maintain strong relationships with existing clients to ensure customer retention and satisfaction.
- Address client inquiries, concerns, and needs effectively.
- Work closely with marketing, product development, and other teams to align efforts.
- Proficiency in CRM tools and MS Office (Word, Excel, PowerPoint).
